OVERVIEW

The trip

This 3-day Bandipur and Pokhara tour is the short version of our Kathmandu, Bandipur and Pokhara road trip, built for travellers with a long weekend rather than a week. You drive from Kathmandu to Bandipur, a hilltop Newar trading town where the old bazaar is closed to traffic, and spend the evening on its stone-paved street. Next morning you continue to Pokhara for an afternoon of sightseeing around Phewa Lake. On the last day you are up early for sunrise at Sarangkot before the drive back to Kathmandu. It suits couples, friends and families who want two contrasting places in three days and do not mind two long days on the road.

HIGHLIGHTS

Trip highlights

The moments this trip is built around.

- Max altitude: 1,595 m at Sarangkot
- Getting there: Private vehicle, by road throughout
- Good for: Long weekends, first-time visitors
- Best season: October to February for clear views

ITINERARY

Introduction

At **Uncover Nepal** we believe a trip should be stress-free from the very first step. This policy outlines how bookings work, what happens if plans change, and what you can expect from us at every stage of your journey in Nepal.

Bookings are confirmed in writing by email and are subject to availability at the time of payment. We accept bank transfer, credit card and authorised payment gateways, in US dollars or the Nepalese rupee equivalent; international transaction fees are borne by the traveller, and a payment counts as made only once the funds reach our account.

Non-refundable services

Some costs are committed to third parties the moment they are issued and cannot be recovered, regardless of cancellation timing:

- **Trekking permits** — ACAP/national-park entry and restricted-area permits are issued in your name.
- **Domestic flight tickets** — Kathmandu–Lukla, Pokhara and similar sectors, once ticketed.
- **Entrance tickets** to parks, monuments and heritage sites, once issued.
- **Chartered helicopters**, peak-climbing royalties and pre-paid activities.
- **Special hotel rates** booked on non-refundable terms at your request.
- Unused services, early descents, early departures and voluntary trip curtailments.

Permits & domestic flights

Permits

- Permits are issued by the relevant government authority and in your name; issuing them is not at our discretion.
- Permit and park fees are non-refundable once issued, including if you turn back on the trail.

Domestic flights

- Mountain sectors such as Lukla are weather-dependent. Delays and cancellations are common in cloud and are outside anyone's control.
- All cancellations and changes are subject to the airline's fare rules.
- Where a mountain flight is cancelled we will help you rebook or arrange an alternative, but Uncover Nepal is not liable for the delay itself or for onward connections you have booked separately.

How refunds are paid

- Cancellations must reach us in writing at contact@uncovernepal.com. The timeline above runs from the date we receive that email.
- We process your refund within 4 to 7 working days of our acknowledgement.
- Money is returned by the original payment method and in the original currency. Your bank may take a few more days to show it.
- When you cancel, bank and transaction fees on both the original payment and the refund are borne by the traveller. If we cannot run the dates we confirmed with you, we refund every cent you paid, fees included.

No-show & early departure

- Travellers who do not arrive for the trip are charged the full trip cost.
- Leaving a trip early, and any service you choose not to use, is charged in full and is not refunded.

Liability & disclaimer

Events beyond our control

Uncover Nepal is not liable for delays or cancellations caused by events beyond our control, including weather, landslides and road closures, natural disasters, government actions, strikes or pandemics.

Your own international flights, travel insurance and Nepal entry visa are your responsibility. We strongly recommend insurance that covers trekking to the maximum altitude on your itinerary, including helicopter evacuation.
